Ace Makes The Trip To The AKC National Agility Championships

PRESIDENT'S REPORT

by Jim Clarke

Happy Easter, everyone, and welcome to spring. Any day now we will be treated to flower tents being assembled in the parking lots at various locations. Right now we are being treated to mud being kicked up by our four-footed friends in our back yards. Both bring us out of the doldrums of winter and help us welcome in a new season.

You should have been there! It was fantastic. A special **Thank You** goes to **Laura Setar** for planning the Awards Banquet, hand making the wine-glass favors, and organizing a trivia game. Another **Thank You** goes to **Bob and Lee Melka** for designing and assembling the "Honor" booklet distributed at the banquet each year. Get busy! Start showing your dog! We want you to receive an award next year.

WELCOME NEW REGISTRAR, CHUCK HOLTZEN! Chuck and her husband, Byron, have been members of GABOC since 2012. They have three Newfoundlands. Besides training her own Newfs, she assists Cheri Nicholas in the 7:30 Star Puppy Class. When the Registrar's position opened I reached out to Chuck and she immediately said, "Yes!" **Thank you so much, Chuck.** If you need to sign up for one of our classes, i.e., Star Puppy, 6:00 Beginner or 6:45 Beginner, look for the registration forms on our website (GABOC.org) or at the sign-in table at the club.

While it is too late to pre-register for our **April 2 Correction Match**, it isn't too late to sign up at the door. Judging in Novice, Open and Utility will begin at 7:00; doors open at 6:30. A Correction Match is a good way to verify how your dog is progressing in this wonderful world of obedience. A "Correction Match" is what it is. While doing your "run through," you can treat or correct your dog. Not only is this a way for you to determine the areas that need improvement, it also helps your dog to adjust to the exercises in his particular class. If you don't want to sign up; **just come and watch.** Watching is totally **FREE!**

The April 26 **General/Board meeting** will be held at the Clarkes--134 N. Addison Rd., Wood Dale--7:00. Please email - joyclarke134@comcast.net, if you plan to attend.

A LITTLE FYI: Many of you don't know, **but I wear two hats for GABOC.** Not only am I President, I am also the Awards Chairman. It is my job to compile the list of awards that will be presented, order the awards, and present the awards at the banquet. As I previously mentioned, we just had our **Awards Banquet.**

For those of you who are new to Glenbard, you are probably wondering what that might mean to you. The definition of award is "**prize.**" Each year, on the second Saturday of March, GABOC holds a banquet--a social night out for all members (but, without our dogs). Our Awards Banquet is to honor the hard-working people who have earned a title on their dog in one form or another. They get a "**prize.**"

These prizes can come in the form of a very large, beautiful plaque that holds a dog's picture. If you already have a plaque for your dog, you will receive title plates engraved with the current title earned that will affix to that plaque. Monetary certificates for various achievements are also awarded. Then, there is the most coveted award of all, **The Hall of Fame Photo Album**. There are a number of titles qualifying a dog to appear in the Hall of Fame album. If you are curious, I'd love to share that information with you.

**CONGRATULATIONS
to the members and dogs
who were presented awards for their 2018
achievements at our
Annual Awards Banquet!**

CONGRATULATIONS ACE

My Sheltie, Ace, (MACH Starfall39 Gamblers Last Play UD) qualified for and participated in the AKC National Agility Championships in Tulsa, Oklahoma. (NAC). To be eligible for this event dogs needed 7 double Q's and 550 points in the qualifying period from December 1- November 30. On March 14 at 5 a.m. Ace and I, five dogs and four adults happily departed for Oklahoma, a 10 1/2 hour trip. All of the dogs were great travelers.

The NAC event began on Friday, March 15 -17. We celebrated St Patrick's Day there. There was a lot of green displayed that day.

Over this three day period there were 4 runs, Premiere Standard, JW, Standard, and Hybrid. Premiere was used as a practice run for Ace. In order to advance in standings, a dog needs to have a clean run (no mistakes). Then the dog's time is calculated. And rankings are chosen. In the final results, Ace had 3 out of 3 clean runs. He ranked 37 out of 187 qualifiers. Not bad for a 9 year old dog making his 1st appearance at Nationals!

I am very proud of Ace! Special thanks to his handler, Aimee!

Three changes to the Obedience Regulations were approved by the AKC Board of Directors at the February 8, 2019 meeting. The following amendments (underlined) to the Obedience Regulations were approved, which are effective for all trials held on or after August 1, 2019. An insert for the Obedience Regulations amended to May 1, 2018 will be published.

They are in summary:

1. Modify the Open B Point Schedule
2. Earning OTCH points outside of the Point Schedule in Open B & Utility B
3. OTCH title recognition

OBEDIENCE REGULATIONS

CHAPTER 8 - OBEDIENCE TRIAL CHAMPIONSHIP

Section 2. Championship Points. Obedience Trial Championship points will be recorded for those dogs that have earned a first, second, third or fourth place ribbon competing in the Open B or Utility B class, according to the schedule of points established by the AKC Board of Directors. When counting the number of eligible dogs in competition, a dog that is disqualified or excused from the ring by the judge will not be included.

One (1) Championship point will be recorded for those dogs that earn a qualifying score of 197 or better in the Open B or Utility B class, if they did not earn points based on the Point Schedule.

Requirements for the Obedience Trial Champion are as follows:

The dog must have won

1. 100 points
2. A first place in Utility B with at least three dogs in competition
3. A first place in Open B with at least five dogs in competition
4. An additional first place under the conditions of 2 or 3 above
5. All three first places under three different judges

Only one of the required first places may have been won at a specialty Show or a Junior Obedience Showcase.

Section 3. Obedience Trial Champion Title. The AKC will issue an Obedience Trial Champion certificate and will permit the use of the letters OTCH preceding the name of each dog that meets the requirements.

The letters OTCH will be followed by a numeric designation indicating the number of times a dog has met the requirements of the OTCH title as defined in these regulations (OTCH2, OTCH3, OTCH4, etc.).

Section 5. Point Schedule.

Socializing Your Dog

...refers to providing him with POSITIVE experiences with NEW THINGS. The best way to make sure your dog has great experiences is to include things he loves (like food or toys)

new people

Let your dog approach **at his own pace**, if and when he wants to.

Make sure puppies are **gently & positively exposed** to different people.

Visit parking lots and other busy places just to watch the people, animals, vehicles, etc. and feed your dog treats.

other animals

Always check that the other animal is friendly & tolerant of dogs before you let your dog approach.

Teach your dog how to act politely around other animals by rewarding him for good behavior. Redirect him if he's pushy or overly excited.

If your adult dog doesn't want to play with unfamiliar dogs, that's okay. Adult people don't want to play with every other person we meet either!

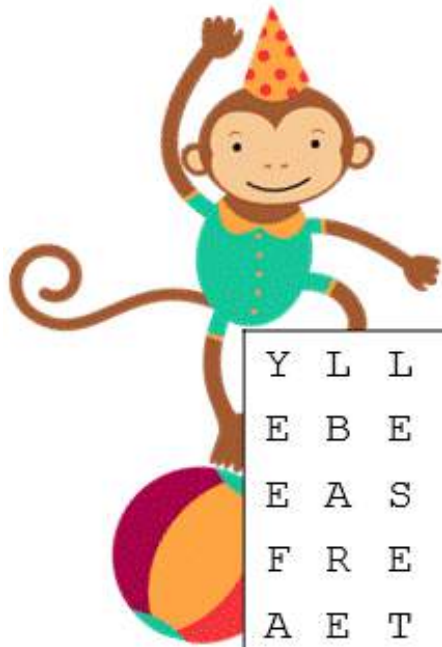

new things & environments

To prevent **noise phobia** (eg, fear of thunder), feed your dog a tiny treat every time the noise happens.

Remember: **EXPOSURE alone isn't socialization!**

If your dog isn't having a great time, you could do more harm than good. Dogs don't just "get over" issues by themselves, so if your dog is shy, worried, or overly excited, leave the situation and work with a professional who can help both of you. If your dog is having a blast and is happy and comfortable, you're doing a great job of socializing him!

2. Our year ended at \$9,107.34 in the red.
3. We did our last double ring trial Agility Trials in 2017; our income was \$10,938.89. Due to raise in facility rental & drop-in entries, we went to single-ring Agility Trials in 2018. Income for the three, one-ring trials in 2018 was \$6,999.77, which is a difference of \$3,994.12
4. Our expenses exceed our income with, awards, Monday night classes, obedience and tracking.
5. Although we aren't spending unnecessarily we will review our spending and see where we can do better. We need to concentrate on improving Monday income, running lean, don't buy what we don't need.
6. We definitely need to spend less and earn more.

DIRECTOR OF TRAINING

1. Liz Hixon indicated that she is going to create a questionnaire to send out to the membership and hand out on Monday to non-members. She said it will be a simple questionnaire just asking what changes people might like to see, what they don't like, and why they are coming to Glenbard.

2. It was also suggested by Ray Heitz that we have a "Suggestion Box" on the sign-in table. Jim will look for the one used previously.

Dear Members,

As your new Director of Training I would like to gather some information from all of you on what you would like to see at GABOC training nights and beyond.

If you could answer a few questions it will help me know what we need to do to make this a fun, pleasant and educational place to train with friends.

1. Are you currently training at GABOC on Mondays? Afternoons or evenings?

If not, why not?

If yes, why?

2. What class(es) do you attend the most?

3. Do you compete in obedience, rally or conformation?

4. What classes would you like to see at GABOC?

5. Are there any special events such as seminars that you would like to attend?

If so, what topics would draw you in?

Thank you for your time,

Liz Hixon

The history of April Fool's Day only goes back to the 16th century.

Legend says... April Fools Day started with a change in the calendar. The "new year" celebration was moved from April 1st to Jan 1st.

Some people did not hear about this change for many years. Other ignored the change, and continued to celebrate as they had always. These people were called "fools".
